Lockview Park Redevelopment

Date and Time: Wednesday, June 2 6:30 pm - 10:00 pm

Address: 66 Charlotte

The City of Port Colborne is seeking resident input on the redevelopment of Lockview Park. Residents are invited to participate in a virtual open house, where they can ask questions and hear updates. The first virtual open house is happening next **Wednesday, June 2 at 6:30 p.m.**

If residents are interested in participating at the virtual public open house, they are asked to email lockviewpark@portcolborne.ca. City staff will provide more instructions and a Zoom link.

Interested in tuning in? Residents can watch the meeting live on [Zoom](#) starting at 6:30 p.m.

More information can be found [here](#).

Birds of Ontario by David T. Chapman

Date and Time: Monday, June 7 11:00 am

Address: 310 King St, Port Colborne

Available March 8 to June 8, 2021

If you enjoy bird watching, then this is the presentation for you! Everything from the small backyard visitors that we all know and love, to some of the largest birds like the Bald Eagle and Great Blue Heron. Check out

rare visitors to the Niagara area like the Painted Bunting and Northern Hawk Owl. Watch an owl family grow up and leave the nest. Learn how you can enhance your birding experience. See both still images and video of these fascinating and colourful characters and more.

Summer Reading Kick-Off: Crayola® Imagine Arts Academy™: Coiled Turtles

Date and Time: Saturday, June 12 11:00 am

Address: 310 King St, Port Colborne

Registration begins Thursday, May 27.

Online Zoom Tutorial

Saturday, June 12, 11:00 a.m. to 12:00 p.m.

For all ages. Free. Available while supplies last.

From sleek sea turtles to sturdy, land-based tortoises, turtles come in many shapes and sizes, and can be found in different habitats. They also face many threats, so they need our help! Kids create unique turtle sculptures to inspire people and raise awareness. They start by sculpting a coil to make the shell and then add extra pieces and colors to make their own turtle sculptures.

Mark your calendars to kick off your summer reading with us! Create a unique turtle sculpture in this fun art workshop and learn about wildlife conservation. Register for the program, pick up your art supply kit prior to the event, and then join us for a live, online tutorial. Reserve your spot: 905-834-6512.
