Help give Port Colborne a healthy summer sparkle during Sweep the Streets Saturday! Pre-register [online](#) and join your fellow community members in cleaning up litter – such as small plastics, cups, cans, and other waste – on neighbourhood streets throughout the city. Supplies like garbage and recycling bags, gloves, pickers (optional), and high-vis vests will be provided. Taking part is easy:

- Pre-register and meet at the Engineering and Operations Centre for 9:00 a.m.
- Sign a consent waiver, gather your supplies, and choose a location that could use some cleaning up
- Complete the sweep and take all collected litter back to the Centre before 11:00 a.m.
- Share a photo of you sweeping the streets using the hashtag #PORTicipate and tagging @cityofportcolborne

All participants must review a list of safety tips and sign a consent waiver. Groups with participants that are between the ages of 12 and 17 must be supervised by a minimum of one adult (18 years of age or older).

Safety Tips

- Wear appropriate clothing (e.g., long pants, long sleeves, boots, hat, and sunscreen), and try to wear light coloured clothing for greater visibility and to spot ticks.
- Always use non-porous gloves to pick up litter, even when using a picker. Only pick up litter. Leaves, twigs, plants, and animal waste can remain on the ground.
- Be careful near roads and waterways, and do not go near railways.
- Clean-up locations are limited to public property only. Avoid trespassing on private property whenever possible.
- Do not take risk attempting to reach litter in hard-to-reach places.
- Watch for and avoid hazards, such as wild animals, insects, bulky or heavy items, construction materials, chemical substances, light bulbs or fluorescent tubes, broken glass, metal, and noxious weeds.

- If you encounter a sharp object, do not touch it! Sharps waste includes needles, syringes or other biomedical waste that can penetrate the skin causing infection or other complications. Report the location of these items to City staff.
- Bring hand sanitizer and always wash your hands after your clean-up!

 - Join us for a screening and discussion of the documentary film Standing on the Line (2018, 80 min). In both amateur and professional sports, being gay remains taboo. Few dare to come out of the closet for fear of being stigmatized, and for many, the pressure to perform is compounded by a further strain: whether or not to affirm their sexual orientation. Breaking the code of silence that prevails on the field, on the ice and in the locker room, this film takes a fresh and often moving look at some of our gay and lesbian athletes, who share their experiences with the camera. They've set out to overcome prejudice in the hopes of changing things for the athletes of tomorrow.
