**To: Port Colborne Committee of Adjustment**

**From: Taya Taraba, Secretary-Treasurer**

**Re: Applications for Minor Variance, A29-24-PC and A30-24-PC**

---

Item 5.3: A29-24-PC; A30-24-PC - 607 Barrick Road

Please be advised that Staff have noted a discrepancy with the minor variance applications uploaded as part of the December 6th, 2024, Committee of Adjustment agenda.

In Section 5.3, the included items "A29-24-PC - Application" and "A30-24-PC - Application", have been labeled with the incorrect file numbers. Where application A29-24-PC is listed, the file number should read "A30-24-PC" (and vice versa).

Additionally, an incorrect version of the A30-24-PC Notice of Hearing was uploaded as part of the Committee of Adjustment agenda package. Detailed in the section where the Notice lists the reason for the respective minor variance, it lists "that a minimum lot frontage of 12m be permitted, where a minimum of 15m is required". This should read "that a minimum lot frontage of 13.47m be permitted, where a minimum of 15m is required".

An amended copy of the A29-24-PC and A30-24-PC Applications, as well as the A30-24-PC Notice of Hearing, has been added under Item 5.3 (a) on this addendum package.

## PROCEDURES FOR PROCESSING APPLICATIONS FOR MINOR VARIANCE OR PERMISSION

Once the Secretary-Treasurer has received an application, the application will be circulated to external agencies for up to 10 days to determine whether additional information and/or fees are required. Once comments from these agencies have been received, the Secretary-Treasurer will inform the applicant of any additional information and/or fees required by these agencies (ie. Niagara Region, Niagara Peninsula Conservation Authority). If applicable, the applicant must submit this additional information and/or pay the additional fees for their application to be deemed complete. Once the application is deemed complete, a hearing date will be confirmed in writing by the Secretary-Treasurer.

Prior to the hearing, members of the Committee may choose to conduct a site visit and/or contact the applicants. **Please note that the Committee should not be contacted by members of the public.** Any comments, questions, or concerns should be addressed through the Planning Division.

Following the hearing, the applicant/agent/solicitor will be notified of the Committee's decision in a written Notice of Decision. In addition, any other person or agency who filed a written request for the Committee's decision will be sent a copy. Any applicant objecting to the decision of the Committee, or the condition(s) imposed by the Committee may appeal the decision to the Local Planning Appeal Tribunal within 20 days after the Notice of Decision has been given. The notice of appeal, together with written reasons supporting the appeal and the fee, by certified cheque or money order payable to the Minister of Finance, must be filed with the Secretary-Treasurer, who in turn, will forward the appeal to the Local Planning Appeal Tribunal. The fee is \$300.00 for the first application to be appealed and \$25.00 for each additional related minor variance appeal.

Some commercial properties such as gasoline stations, automotive repair garages, and dry-cleaning plants have similar potential. Any industrial use can result in potential contamination. The longer a property is under industrial or similar use, the greater the potential for site contamination. Also, a series of different industrial or similar uses upon a site could potentially increase the number of chemicals which are present.

## DRAWING REQUIREMENTS

Please submit two copies of each separate plan along with your completed application. Ensure that all the information below is included in the plan(s). 1. The boundaries and dimensions of the land / lot.
2. The location and nature of any easement affecting the land, if applicable.
3. The location, size, height, and type of all existing and proposed buildings and structures on the land, indicating the distance of the buildings or structures from the front lot line, rear lot line and the side lot lines.
4. The parking areas, loading spaces, driveway entrance / exits.

## PROCEDURES FOR PROCESSING APPLICATIONS FOR MINOR VARIANCE OR PERMISSION

Once the Secretary-Treasurer has received an application, the application will be circulated to external agencies for up to 10 days to determine whether additional information and/or fees are required. Once comments from these agencies have been received, the Secretary-Treasurer will inform the applicant of any additional information and/or fees required by these agencies (ie. Niagara Region, Niagara Peninsula Conservation Authority). If applicable, the applicant must submit this additional information and/or pay the additional fees for their application to be deemed complete. Once the application is deemed complete, a hearing date will be confirmed in writing by the Secretary-Treasurer.

Prior to the hearing, members of the Committee may choose to conduct a site visit and/or contact the applicants. **Please note that the Committee should not be contacted by members of the public.** Any comments, questions, or concerns should be addressed through the Planning Division.

Following the hearing, the applicant/agent/solicitor will be notified of the Committee's decision in a written Notice of Decision. In addition, any other person or agency who filed a written request for the Committee's decision will be sent a copy. Any applicant objecting to the decision of the Committee, or the condition(s) imposed by the Committee may appeal the decision to the Local Planning Appeal Tribunal within 20 days after the Notice of Decision has been given. The notice of appeal, together with written reasons supporting the appeal and the fee, by certified cheque or money order payable to the Minister of Finance, must be filed with the Secretary-Treasurer, who in turn, will forward the appeal to the Local Planning Appeal Tribunal. The fee is \$300.00 for the first application to be appealed and \$25.00 for each additional related minor variance appeal.
