Port Colborne Public Library Board

Date: June 4, 2025

To: Port Colborne Public Library Board From: Rachel Tkachuk, Chief Executive Officer

Subject: 2026 Capital Budget

Recommendation:

That the Port Colborne Public Library Board (the Board) approves the decision not to submit a capital funding request for 2026.

Purpose:

The purpose of this report is to propose the 2026 Capital Budget to the Board.

Background:

Each year, departments across the municipality submit capital requests for facility upgrades, renovations, and major repairs. The library participates in this process, working collaboratively with the City's Facilities Manager to identify and prioritize projects under the Building Condition Assessment (2022).

The Library would like to thank City staff from the Facilities Department for their leadership and support in evaluating the Library facility upgrade and maintenance needs for the 2026 budget.

Discussion:

The Library highlights that the budget is a plan to allocate resources in advance for the maximum benefit of City residents and patrons. It is a method to authorize revenue and expense authority. Certain assumptions and estimates are necessary which are based on information available to staff at the time of preparing the budget.

The development of the annual capital budget takes into consideration maintaining current services levels to the levels identified in the Library's strategic plan, patron safety, and being fiscally responsible.

Through the annual process of collaborating with the City's Facilities Manager to identify

Port Colborne Public Library Board

and prioritize projects under the Building Condition Assessment it has been determined that there are no immediate capital needs requiring action in 2026.

The Building Condition Assessment report had identified the replacement of exterior door replacement for 2026 however the doors were proactively repaired in 2024 by the City's Facilities Team.

The Library identifies that not only are there no immediate capital needs requiring action in 2026 but the City is facing budget constraints as a whole. By refraining from submitting a capital request for 2026, the Library is demonstrating its commitment to financial stewardship for the citizens of Port Colborne and interdepartmental cooperation.

Internal Consultations:

As stated, the Library would like to thank City staff from Facilities and Financial Services departments for their leadership and support in developing this 2026 Capital Budget.

Financial Implications:

The Library identifies the proposed 2026 Capital Budget is a staff recommendation that the Board can adjust, if required.

Conclusion:

It is recommended that the Board approve the decision not to submit a capital funding request for 2026. It is further recommended that the Board communicate to City Council and municipal leadership that the library acknowledges broader capital funding pressures and supports the prioritization of other departmental needs. Library and City staff will continue to monitor facility conditions and will prepare for capital requests for future years as needed, and as recommended in the Building Condition Assessment.

Respectfully submitted,

Pochel Jeschuk

Dreams Become Reality in the Port Colborne Library Contest

By KEASHA MAILE, PCO

Imagine a library where anything could be available to borrow.

The Port Colborne community is invited to dream big and think boldly, because their local library is

listening – and if they can dream it, the library can lend it.

From May 1 to 30, residents are invited to get creative with the Port Colborne Public Library's My Dream Borrow contest.

Through a ballot submission, community members can share their "dream borrow" – a unique item they wish to borrow from the library. The possibilities are endless. The winning suggestion will be added to the Library of Things collection, with the selected community member receiving the honorary first borrow.

The Library of Things is a nontraditional collection of items available to borrow from the Port Colborne Public Library over a one-week period. The collection features a range of interactive technology, equipment and toys, including colourblind corrective glasses, snowshoes, light therapy lamps, pickleball equipment, gardening toolkits and more. All

items are available to borrow free of charge.

Port Colborne Public Library CEO Rachel Tkachuk says her team can't wait to see the public's ideas in the contest.

"There are many items people want to try once or use occasionally, but might not want to buy — we're asking our community to dream big and tell us what they'd love to see added to our Library," says Tkachuk. "We've already heard many interesting ideas: a VCR, a dog agility kit, a dehumidifier, a metal detector for the beach. Libraries are always trying to connect people with the resources they need, and this contest is a fun and creative way to stay responsive to what our community values and wants to explore."

Ballots for the contest may be submitted until May 30 at the Port Colborne Public Library, the Vale Health and Wellness Centre, City Hall, and virtually by emailing library@portcolborne.ca.

Libraries in Niagara Cooperative (LiNC) Circulation Policy (February 2025)

Purpose

The purpose of the LiNC Public Library Circulation Policy is to set the parameters for the borrowing of materials by the public as well as the collection and use of personal information. The LiNC PL Circulation Policy shall be reviewed annually by the LiNC Executive Team and follows all provisions of the Public Libraries Act.

Cardholder Conditions

- a) Libraries in Niagara Cooperative (LiNC) cardholders have the same borrowing privileges at all LiNC public library locations. The only exceptions to this statement are in requesting interlibrary loans, restricted access to the electronic resources offered by each LiNC library, and certain special collections held by LiNC libraries, as determined by each member library.
- b) Regardless of a member's place of residence, the LiNC library that a cardholder initially registers at is considered their home library for that library card.
- c) New library card memberships will not be issued to anyone whose borrowing privileges have been suspended by another LiNC library.
- d) LiNC library cardholders must present a valid library card from one of the LiNC libraries in order to check out materials or access their account. If the card cannot be presented, valid photo I.D. is required.
- e) Library cards expire annually. At the time of expiration, the cardholder's contact information will be verified. Library accounts can be updated at any LiNC library with appropriate verification of account details.

- f) By obtaining a library card that is valid for use at a LiNC library, the cardholder will abide by the policies established by the LiNC Executive Team and their corresponding Library Boards, including but not limited to:
- Responsibility for the care of all items checked out on their cards
- Paying outstanding fines and fees
- Paying for lost or damaged material and associated processing fees
- Reporting a lost or stolen card
- Reporting change of name, address, telephone number, email address
- Presenting library card or acceptable identification every time material is borrowed
- Understanding that the holder is responsible for materials should the card be loaned to another user

Not fulfilling the above responsibilities may result in the suspension of cardholder privileges.
